

EMSAC / Drug Shortage Committee Conf. Call
February 12, 2013

The meeting began at 2:00.

- * Chairman Richter stated that in regards to the survey results, good feedback was received and results will be posted on the website.

Next Steps:

Compiling and sharing list of best practices for providers to use.

- * Dr. Kathy Schrank noted that Nevada, Utah, and Oregon had legislative actions taken place as a result of the shortages.
- * She stated that Texas is using Eagle Analytical to test their drugs for potency. Nevada is using their drugs six months after expiration date.
- * Eagle Analytical will test from each lot; sample is \$100 per lot. Must test every six months.
- * General discussion was held regarding lot testing and using past expiration dates.

After calling for any further business, and there being none, Chairperson Richter called for the meeting to be adjourned.
